Professional Summary

I am a hardworking and ambitious individual with a great passion for information systems. I am completed my third year of studying BSc in Management Information Systems (Special) at NSBM green University. I have excellent communication skills, enabling me to effectively communicate with a wide range of people. I am seeing a intern position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization that I work for.

Skills

Programming: Java (OOP), C, Python, PHP, Servlets
